

REMARKS

By the foregoing Amendment, the specification has been amended to correct an inconsistency between the Drawings and the Brief Description of the Drawings in the specification. No new matter has been added.

In the Notice of Drawing Inconsistency With Specification mailed on January 20, 2006, an inconsistency was identified between the drawings and the Brief Description of the Drawings in the specification. Specifically, the Notice notes that Figure 6E is contained in the Drawings but is not listed in the Brief Description of the Drawings in the specification. The Applicants respectfully submit that this inconsistency has been corrected through the foregoing Amendment, and request that the Application be passed to issue.

CONCLUSION

Should the Examiner determine that any further action is necessary to place this application into better form, the Examiner is encouraged to telephone the undersigned representative at the number listed below.

In the event this paper is not considered to be timely filed, the Applicant hereby petitions for an appropriate extension of time. The Commissioner is hereby authorized to charge any fee deficiency or credit any overpayment associated with
